House of Wellness is more than where you live - it's where life comes into balance. A Brickell residence shaped by intentional design and a holistic view of well-being, where the rhythm of the city meets calm, and wellness is integrated into daily living through spaces for fitness, recovery, spa, and community.

Integrated Wellness Method

The Integrated Wellness Method is House of Wellness's personalized framework for living well - designed to evolve with each resident over time through expert guidance, integrated services, and thoughtful programming. Wellness is experienced fluidly through movement and recovery, connection and creativity, nourishment and reflection.

Each resident begins with a personalized assessment at move-in, with progress tracked through a dedicated app and supported by evolving classes and experiences that integrate wellness into everyday life.

The wellness experience at House of Wellness is guided by five interconnected dimensions:

Physical Wellness

Movement, strength, mobility, and recovery-focused programming designed to support longevity, balance, and everyday vitality.

Emotional & Mental Wellness

Mindfulness, stress resilience, creative reflection, and restorative practices that support clarity, calm, and emotional well-being.

Social Wellness & Belonging

Intentional opportunities for connection, including gatherings, shared experiences, and community rituals that foster a sense of belonging.

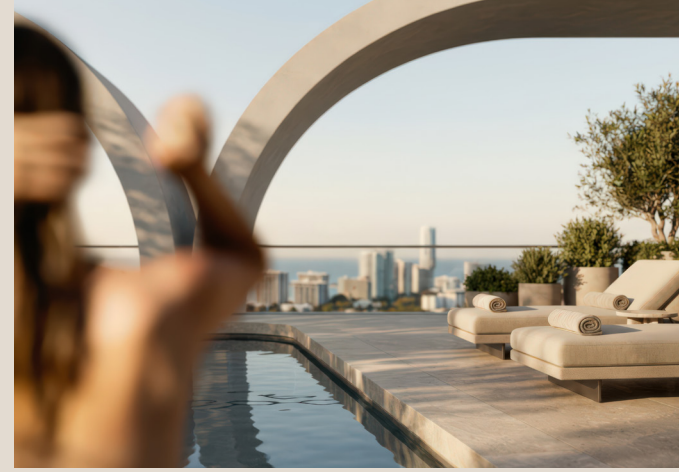

Intellectual & Creative Wellness

Lifelong learning, creative exploration, and experiences that stimulate curiosity, expression, and cognitive health.

Thoughtful Nutrition

Practical, approachable guidance around nourishment, mindful eating, and food as a source of energy, joy, and meaningful connection.

The Team

NORTH DEVELOPMENT

North Development was founded when Oak Capital and Edifica, two companies with extensive knowledge and experience gained from successfully developing innovative projects, joined forces. Formed from these two successful entities and their complementary experiences and skill sets, North Development's mission is to develop new value-added concepts from the ground up that maximize value for investors and create comfortable experiences for residents. With a focus on quality and innovation, North Development aims to set itself apart in the marketplace and become a trusted name in the residential condo industry.

NORTH MANAGEMENT

North Management was created by North Development specifically to uphold its portfolio of properties to the highest standards of service, design, and operational excellence while protecting brand integrity. North Management leverages multiple decades of leadership expertise in luxury hospitality to build top-tier teams who consistently oversee, refine, and evolve every element of the residential experience across North Development's robust portfolio.

MC+G ARCHITECTURE

Studio Mc+G Architecture specializes in Hospitality and Resort Design, Historic Preservation, Commercial Retail, Residential, and Affordable Housing. The firm is backed by founder Jennifer McConney's 18 years of architectural experience, having launched more than 600 projects prior to establishing her own practice. Current projects include the restoration of the Delano Hotel, as well as the Thompson Hotel and Wynwood Works in Miami's arts district. Mc+G brings together a team of professionals dedicated to advancing a vision of ecology-based humanism within a contemporary framework.

URBAN ROBOT ASSOCIATES

Urban Robot Associates is a full service design collective located in Miami Beach, specializing in architecture, interior design, landscape architecture and urban design. The team works collaboratively to develop a multidisciplinary approach to all projects to bring about a unique vision and create experiences that are meaningful, memorable, and functional. Whether a mixed-use complex, a boutique hotel, precious natural resource, or a brand identity -- UR strives to elevate the human experience.

FORTUNE DEVELOPMENT SALES
